OBJECTIVE:

To seek the local, regional and national support needed in order to become a full time bass tournament professional. This includes financial support, as well as equipment and tackle acquisitions that will help propel my career to the highest levels of competitive bass fishing. I would consider fishing tournaments only half of my job.

I will, to the best of my ability, promote, publicize and advance the success of my sponsor that chooses to work together for a common goal, by dedicating significant amounts of time working "off the water" to satisfy promotional staff objectives. This will be achieved by efforts made through traditional media, tournament trips, social media, seminars, brand exposure, dealer open houses and trade shows.

SHORT-TERM GOAL:

To fish successfully enough in the Bassmaster Opens to qualify for the Bassmaster Elite Series in 3 years or less.

CAREER HIGHLIGHTS:

- Bassmaster Southern Open #1 - Lake Tohopekaliga - Kissimmee, FL, January 15-17, 2015 (7th Place)
- Bassmaster Southern Open #3 - Lake Norman - Charlotte, NC, Oct 2-4, 2014 (38th Place)
- New York B.A.S.S. Nation - Cayuga Lake, NY, September, 2009 (3rd Place)
- Orange County Junior Bassmasters - 3 Times consecutive Angler of the Year

PERSONAL:

I am an ambitious 24-year-old New York City "sandhog" subway tunnel construction worker with a competitive nature and street smart sensibility. I'm comfortable talking with and meeting new people one-on-one and promoting the sport and products associated with it. Fishing is now my full-time occupation and I spend countless hours on the water trying to improve and strive to make a name for myself in the sport with every competition.
